

2021 Business Awards Luncheon – TOGETHER WE FLOURISH Awards Nomination and Selection Process

For our communities to flourish, we must work **together**. This truth has been particularly evident over the past year as we have navigated the pandemic **together**. While there are plenty of examples of struggles and setbacks, there are just as many stories of businesses and organizations working **together** for the greater good. Restaurants prepared meals for healthcare workers. Businesses large and small volunteered their time to help with community initiatives. Organizations have worked together to deliver vaccines.

For this year's business awards, the North Side/Shore Chamber of Commerce is celebrating these stories of working together during the pandemic. Do you know of a business that partnered with a non-profit to address some pressing needs in the community? Have two or more businesses joined forces to get through the last year in a noteworthy way?
