EMPLOYER RESOURCE GUIDE

One very exciting project we have been working on is an **Employer Resource Guide**. This guide is aimed towards small/medium businesses with limited HR capacity, providing relevant resources on recruitment, retention, and HR education all in one place.

The guide is [HERE](#). It will be updated on a quarterly basis. We hope you find it to be useful; your feedback is greatly appreciated!

HANDSHAKE PLATFORM

Hiring troubles have affected so many employers. Tapping into the recent graduate pool may be a solution.

What is Handshake? [Handshake](#) is an early talent recruiting platform for employers to reach college, university and community college students and alumni across the region.

How does it work? Create a free account, and then you can post jobs with any of the 1,400 colleges that use their system. It's very easy to reach thousands of recent graduates. You can also host events, participate in career fairs, and more.

Questions on Handshake? Reach out for info [here](#).
